Professional Experience

Analysis Group

Analyst

New York, NY
2019 - Present

- Collaborate on a team providing economic analyses on major antitrust, finance and intellectual property related litigation
 - o Assist expert witnesses in drafting expert reports for these lawsuits
 - o Extensively use Python and STATA to conduct statistical analyses; intuitively present findings with graphs and other visualizations
 - o Review and summarize relevant economic publications and other existing literature
 - o Assist with managing project workflow and mentoring first-year analysts
- Worked on a small team to create a novel model to flag abnormal opioid purchasing behavior; helped our client comply with federally mandated due diligence requirements
- Used stock transaction data to model damages in securities fraud litigation cases
- Wrote a software program to web-scrape historical settlement notices and parse through the documents for relevant case facts; compiled information in an internal database used to estimate settlement amounts based on a series of parameters such as type of case, damages, and time period

James Martin Center for Nonproliferation Studies

Summer Intern

Monterey, CA
2017- 2017

- Interned at a think tank specializing in nuclear non-proliferation and other global security related issues
- Assisted senior staff with research through preparing briefs, presentations and memorandum
- Edited and updated articles for the organization public online database

Academic Experience

Research Assistant

World Bank Group and University of Wisconsin Madison

2019

- Assisted Paul Castañeda Dower (Department of Economics, University of Wisconsin) in conjunction with the World Bank Group on a research project on the political economy of land registration in Ukraine
- Research and summarized the Ukrainian regulatory framework governing land use and access, as well as the benefits and costs of land registration from the perspective of land and local officials

Undergraduate Honors Thesis

2019

- “*The Legacy of Communism and Contemporary Attitudes Towards Gender: Lessons from the Soviet Union*”
- Empirically researched the historical legacy of Soviet communism on present day attitudes towards gender
- Awarded the International Politics & Economics Senior Honors Thesis Prize

Thesis in Dialogue Presentation

Middlebury, VT
2019

Middlebury College Rohatyn Center for Global Affairs

- Invited to Middlebury campus to give a presentation on undergraduate honors thesis
- Event included analysis and discussion on the research by Joshua Tucker (Department of Political Science, New York University) and Tanya Byker (Department of Economics, Middlebury College)

Research Assistant

Middlebury, VT
2018- 2019

Middlebury College Department of Economics

- Assisted Amanda Gregg (Department of Economics, Middlebury College) with her research paper on cooperative governance in late imperial Russia
- Worked collaboratively with another student to design an original database, capturing variation in corporate governance structure based upon historical corporate charters

Graduate Initiative in Russian Studies Research Grant Recipient

Vladivostok, Russia
2018

Middlebury Institute of International Studies at Monterey

- Selected as the only undergraduate student to participate in a fully-funded graduate-level research trip to the Russian Far East, supported by Carnegie Corporation of New York
- Conducted field interviews with local academics, journalist and politicians in Russian on the challenges facing economic development initiatives in the region
- Presented research findings to faculty at the Middlebury Institute of International Studies at Monterey

Econometrics Peer Tutor

Middlebury College Department of Economics

- Selected based on academic performance to work as a peer tutor for economics statistics and econometrics classes
